[cherry by nico walker](#)

Cherry is a very good book. If you enjoy Sam Pink and his matter-of-fact prose, you'll enjoy Cherry. The title of the book, I think, is a reference to a term that is used when describing a soldier that is new to combat. But that's the thing, Walker writes about a lot of things without ever really explaining what they are.

[review nico walker s cherry arrowanddot](#)

From its very first pages, Nico Walker's poignant, unflinching fiction debut hooks you in with its vivid portrayal of two people adrift in the world but anchored to each other. The woman who captures our narrator's heart is the unforgettable Emily. But when he loses her, he makes an indelible statement of his own: he joins the Army.
