

DESIGNING DESIGN BY KENYA HARA

[designing design kenya hara 9783037784501 amazon books](#)

DESIGNING DESIGN is quite possibly the most beautiful book on design ever published. Not only is the content illuminating and intelligent, allowing the world to gain an appreciation for one of the truly unique voices in the design field - that voice being the Japanese master Kenya Hara - but also in keeping with the subject, the book itself is a paramount of elegance, simplicity and superb ...

[amazon white 8601405697691 kenya hara books](#)

This is just one of the best design books ever... it talks about a design philosophy that kenya hara has and use for his work, you really must get it! you won't regret it! i have many books of design but none talks about the most important and basic knowledge in design, about the color white, as design element not as a color is pretty interesting.

[takeo paper show 2018 precision](#)

TAKEO's 48th paper show, takeo paper show 2018, presents the company's vision for new fine paper through the theme of "precision." Fine paper, with its implication of elegance, refinement, and superb quality, is a material that possesses "accuracy and meticulousness" as well as appealing to the senses.
