

# GLOSSARY OF TECHNICAL THEATRE TERMS STAGE MANAGEMENT

## [glossary of professional wrestling terms wikipedia](#)

Also producer. A management employee, often a former wrestler (though it can be a current wrestler), who helps wrestlers set up matches, plan storylines, give criticisms on matches, and relay instructions from the bookers. Agents often act as a liaison between wrestlers and higher-level management and sometimes may also help in training younger wrestlers. They are referred to by WWE as ...

## [fergus falls minnesota state community and technical college](#)

Fergus Falls is a big small town with many of the same features as a city several times its size. Attractions include golf courses, kayaking, bike paths, water sports-exercise clubs, coffee houses, classic 19th century architecture, book stores, a dance studio, movie theaters, restaurants and a vibrant arts scene.

## [stage monitoring monitor mixing sound on sound](#)

Sound Quality Requirements. There are also certain technical requirements for stage monitor sound. The first thing to remember, though, is that this is a means to an end.
