

THEATRICAL PROPERTY WIKIPEDIA

[theatrical property wikipedia](#)

A prop, formally known as (theatrical) property, is an object used on stage or on screen by actors during a performance or screen production. In practical terms, a prop is considered to be anything movable or portable on a stage or a set, distinct from the actors, scenery, costumes, and electrical equipment.

[theatrical producer wikipedia](#)

A theatrical producer is a person who oversees all aspects of mounting a theatre production. The producer is responsible for the overall financial and managerial functions of a production or venue, raises or provides financial backing, and hires personnel for creative positions (writer, director, designers, composer, choreographer and in some cases, performers)
